Conservatives

Richard Walsh is your Surrey County Councillor for Laleham, Shepperton and Charlton Village

Green Lane roundabout

Gravel: We continue to fight the gravel application at Watersplash Farm and stop a further 300 HGV's per day on Shepperton roads.

Station Road

Drainage/Roads: We are constantly improving the roads and pavements and we have been working towards fixing the drainage/flooding problems in the area.

Laleham

HGV: We want the Littleton Lane Industrial site to go (due by 2018) to reduce the number of HGV's on our local roads.
