About Alison

A local girl, Alison is a prominent flood and community activist

Alison lives in the Division and has organised numerous Community clean-ups with her volunteer group

Alison is a highly effective local Sunbury Councillor and holds her surgery at St Saviours every 2 weeks. She believes building relationships with residents is the key to success

Being a resident herself in Sunbury Common she is very aware of the lack of funding Sunbury & Ashford Common has received over the past 25 years, she plans to tackle this issue immediately. The lack of investment in our roads, pavements and infrastructure is at critical our shopping centres left dilapidated and experiencing a high volume of antisocial behaviour, we need change Now!

Alison is standing as a County Council candidate so that, if elected, she can fight for Sunbury & Ashford Common's needs in Surrey County Council. You need a Conservative Councillor to make the changes our ward so desperately needs.

My Six Point Plan

Making Sunbury & Ashford Common a Safer place to live

Protecting Our Emergency Services

To oppose root and branch any cuts in our emergency services that might compromise public safety. One of my key focuses is to continue to seek alternatives to the closure of any local emergency services including our fire and rescue

Local Services

I am committed to maintaining vital bus services. I will be taking all necessary steps to preserve the vital bus and other services relied upon by the vulnerable in our society

Highways and Pavements

I will campaign for our roads to be considered for resurfacing, repair or surface treatment under Operation Horizon a £100m highway maintenance investment program

Driving Hard Economic Values

I will Seek new economic opportunities through encouraging economic development in all aspects of the county council's operations to fund services

Opposes development on our green belt

I will campaign tirelessly to ensure Kempton stays Green!

Alison Griffiths:

"I am passionate, goal orientated individual and am willing to do what it takes to make the changes our local area so desperately needs.

I was honoured to be elected as a borough councillor in 2015 and take great pride in representing my residents in all areas.

I was an active Brexit campaigner and lobbied Surrey County Council in regards to saving our local fire services, standing up and getting your views taken seriously.

I have a varied wealth of experience at borough level that will serve me well should you choose to elect me as your County Councillor.

We need someone willing to take a stand and ensure our local area is not forgotten again, someone who will get things done, I believe that someone is me."

If I am elected as your County Councillor I pledge to

- Campaign on behalf of our Fire Service ensuring a safe service for local residents
- Represent my residents views on all important matters ensuring your views are heard
- Campaign to achieve Oyster Zone 6, and protect our existing Vital Bus Service's
- Work to improve our roads, pavements & drainage in Ashford & Sunbury Common
- Campaign To Keep Our Green Belt Safe

Spelthorne Conservatives

A POSITIVE VISION FOR OUR COUNTY

The Conservatives are delivering a strong economy, great schools and are investing in our local infrastructure, all this in a time of financial austerity.

LOCAL ECONOMIC PROSPERITY

We have invested to help grow our local economy by 20% in four years.

With more apprenticeships than ever unemployment is low and we have brought superfast broadband to over 86,000 homes and businesses.

We will resurface and treat more roads and pavements, bring broadband to another 5,000 properties, increase waste recycling and support our young people into education, training and employment.

A GREAT PLACE TO LIVE

Here in Spelthorne and Surrey we are living well and living longer. By 2022 older people will make up 20% of the population.

We have shown we will fight for the funding we need for Social Care.

We will bring health and social care together so that people can return home from hospital sooner and stay well at home.

We will protect our stunning countryside by investing in flood protection schemes.

A GREAT START IN LIFE

Surrey's 450 schools are some of the best in the country with 95% rated 'Good' or 'Outstanding'. Together with teachers, parents and governors we will keep standards high.

We've spent millions on extra classrooms and plan to create 11,000 more school places by 2021. Every child must have a school place.

We will safeguard all our children particularly those in need of support

GREAT PUBLIC SERVICES AND VALUE FOR MONEY

Keeping people safe by working with the police to cut crime and maintaining our excellent fire service.

We will promote digital technology so you can access local services online and on your mobile.

OUR PRIORITIES
