About Naz

A local resident since 1999, Naz is a family man with four children who all go to school locally. He runs a thriving business in Ashford

As an existing borough councillor for Ashford town since 2015 he is committed to getting best for our local residents and putting Ashford first.

Naz cares passionately about public service and has always fought for the voices of our residents to be heard. Naz is standing as a County Council candidate so that, if elected, he can fight for Ashford's needs in Surrey County Council.

My Six Point Plan

Driving efficiencies in the way our services operate

I will work to ensure all council services are properly costed and managed, providing value for money

Maintaining vital bus services

I will be taking all necessary steps to preserve the vital bus and other services relied upon by the vulnerable in our society

Seeking new economic opportunities

Through encouraging economic development in all aspects of the county council's operations to fund services

To radically re-examine the provision of school places and education services generally.

I will work hard to ensure that there are sufficient places for our local children in our schools.

To ensure county policy protect green belt while encouraging new housing and economic development.

By reviewing suitable redevelopment is delivered through the re-development of existing areas and keeping the balance of residential and open space as a priority.

To oppose root and branch any cuts in our emergency services that might compromise public safety.

One of my key focuses is to continue to seek alternatives to the closure of any local emergency services including our fire and rescue.

Naz Islam: A Proven Track Record

As a borough councillor Naz has worked on several committees including planning, overview and scrutiny, economic development and an outside body for Heathrow noise

While serving on the planning committee Naz has attended at a number of site visits to consider the real effects of planning decisions and not just following policy

He attended the recent planning meeting which considered the former Brooklands College site development and spoke strongly against the overdevelopment of this site

Caring with passion he has lobbied behind the scenes to keep the Staines fire station running. Preferring to object constructively and help achieve this through diplomacy

If elected I pledge to:

Campaign to keep proper fire station cover and bus links for local people.

Campaign to ensure local people's safety is not threatened by street light being switched off

Support Spelthorne council's decision to block unsuitable development on former Brooklands College site meeting

Continue to keep up the pressure on Surrey county council to tackle the very real problem of noisy and dangerous heavy lorries in around Clock House lane area.

Campaign to achieve Oyster zone 6 benefits for Ashford peoples

Seek a solution to the problem of commuters parking around the Ashford station

Work to improve our roads, pavements and drainage in Ashford, some of which are long overdue repairs

Spelthorne Conservatives

A POSITIVE VISION FOR OUR COUNTY

The Conservatives are delivering a strong economy, great schools and are investing in our local infrastructure, all this in a time of financial austerity.

LOCAL ECONOMIC PROSPERITY

We have invested to help grow our local economy by 20% in four years.

With more apprenticeships than ever unemployment is low and we have brought superfast broadband to over 86,000 homes and businesses.

We will resurface and treat more roads and pavements, bring broadband to another 5,000 properties, increase waste recycling and support our young people into education, training and employment.

A GREAT START IN LIFE

Surrey's 450 schools are some of the best in the country with 95% rated 'Good' or 'Outstanding'. Together with teachers, parents and governors we will keep standards high.

We've spent millions on extra classrooms and plan to create 11,000 more school places by 2021. Every child must have a school place.

We will safeguard all our children particularly those in need of support

A GREAT PLACE TO LIVE

Here in Spelthorne and Surrey we are living well and living longer. By 2022 older people will make up 20% of the population.

We have shown we will fight for the funding we need for Social Care.

We will bring health and social care together so that people can return home from hospital sooner and stay well at home.

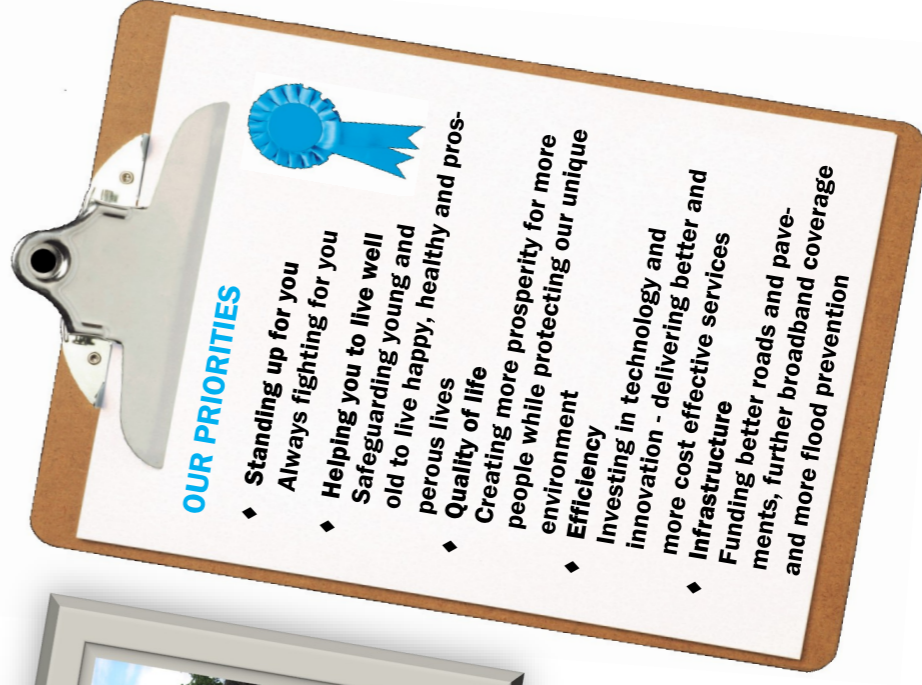

We will protect our stunning countryside by investing in flood protection schemes.

GREAT PUBLIC SERVICES AND VALUE FOR MONEY

Keeping people safe by working with the police to cut crime and maintaining our excellent fire service.

We will promote digital technology so you can access local services online and on your mobile.

OUR PRIORITIES

- ◆ Standing up for you
Always fighting for you
- ◆ Helping you to live well
Safeguarding young and old to live happy, healthy and prosperous lives
- ◆ Quality of life
Creating more prosperity for more people while protecting our unique environment
- ◆ Efficiency
Investing in technology and innovation - delivering better and more cost effective services
- ◆ Infrastructure
Funding better roads and pavements, further broadband coverage and more flood prevention
