About Richard

Richard is a local family man having lived in Shepperton for over 36 years and is heavily involved in the community

He is a member of Shepperton Residents Association, Laleham Residents Association, the local Rotary club, St. Nicholas Church and a Governor of Littleton C of E Infant School.

I have been very privileged to have been your County Councillor for the last eight years and would be honoured to continue to serve you and the communities of Laleham, Shepperton and Charlton Village.

My Six Point Plan

If elected to another term I pledge to:

Fight the gravel application at Watersplash Farm, Gaston Bridge Road and stop the 300 HGV gravel lorries coming to and from the roundabout at the end of Green Lane on a daily basis.

After the bus company withdrew their services we have been able to reinstate nearly all the routes within our area. I will be working with the County Council to improve the service and sort out any problems when the contracts come up for renewal later this year.

To keep Green Belt land in the area, using only brown field sites for any development.

We have been improving roads and pavements and tackling a number of drainage problems which have caused flooding. There is always more to do, including potholes, and I will be actively seeking to increase this work which is so important.

I will continue to monitor the Eco-Park, which I have opposed for being too big for the site. Living locally I will ensure that the gasifier meets the highest safety and environmental standards that we all expect.

I will continue to help and support the residents to keep Shepperton the sixth happiest place in England

Richard Walsh: A Proven Track Record

Richard was a Spelthorne Borough Councillor for the Shepperton Green, Laleham and Charlton Village ward for 8 years

At Surrey CC he is the Cabinet Member responsible for Localities and Community Wellbeing.

Richard has worked with residents to support the communities and encouraged an environment to help shops and businesses to prosper, and keep facilities like the library, youth & children's centres and support the Shepperton and Laleham Fairs and Big Tree Night.

He has helped keep parking meters away from the High Street and maintained a good turnover of parking. Gravel companies are being monitored and I want to reduce the number of industrial sites as they are the main cause of HGVs on our local roads.

I am the Chairman of the Spelthorne youth task group and I am very actively involved in the Shepperton Youth Centre and working with the police and youth services to prevent anti-social behaviour in the High Street and within our communities, which I will continue to do.

Surrey Conservatives

A POSITIVE VISION FOR OUR COUNTY

The Conservatives are delivering a strong economy, great schools and are investing in our local infrastructure, all this in a time of financial austerity.

LOCAL ECONOMIC PROSPERITY

We have invested to help grow our local economy by 20% in four years.

With more apprenticeships than ever unemployment is low and we have brought superfast broadband to over 86,000 homes and businesses.

We will resurface and treat more roads and pavements, bring broadband to another 5,000 properties, increase waste recycling and support our young people into education, training and employment.

A GREAT PLACE TO LIVE

Here in Spelthorne and Surrey we are living well and living longer. By 2022 older people will make up 20% of the population.

We have shown we will fight for the funding we need for Social Care.

We will bring health and social care together so that people can return home from hospital sooner and stay well at home.

We will protect our stunning countryside by investing in flood protection schemes.

GREAT PUBLIC SERVICES AND VALUE FOR MONEY

Keeping people safe by working with the police to cut crime and maintaining our excellent fire service.

We will promote digital technology so you can access local services online and on your mobile.

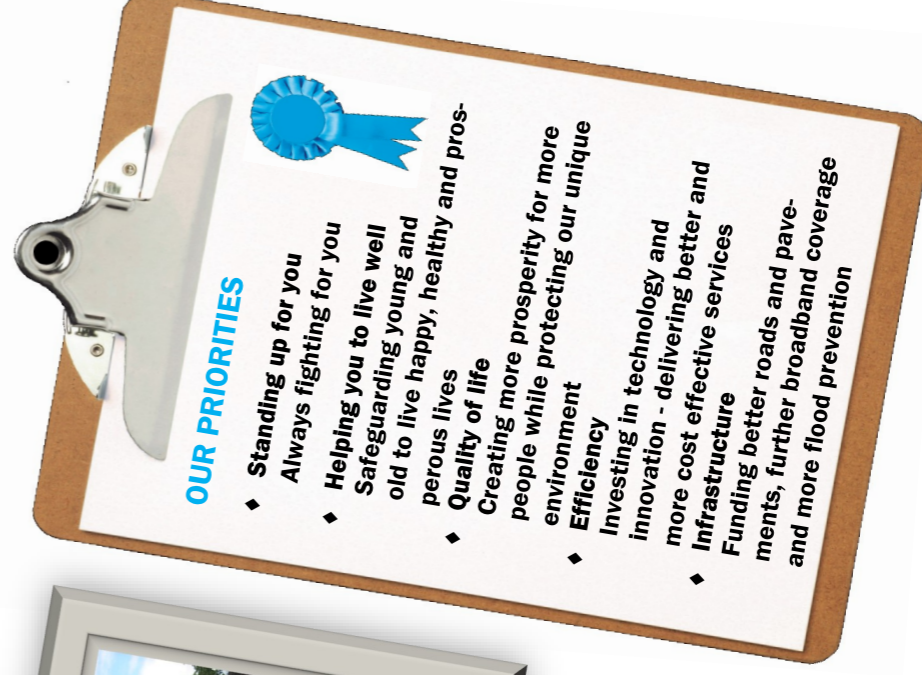

A GREAT START IN LIFE

Surrey's 450 schools are some of the best in the country with 95% rated 'Good' or 'Outstanding'. Together with teachers, parents and governors we will keep standards high.

We've spent millions on extra classrooms and plan to create 11,000 more school places by 2021. Every child must have a school place.

We will safeguard all our children particularly those in need of support

OUR PRIORITIES

- ◆ Standing up for you
Always fighting for you
- ◆ Helping you to live well
Safeguarding young and old to live happy, healthy and prosperous lives
- ◆ Quality of life
Creating more prosperity for more people while protecting our unique environment
- ◆ Efficiency
Investing in technology and innovation - delivering better and more cost effective services
- ◆ Infrastructure
Funding better roads and pavements, further broadband coverage and more flood prevention

SURREY CONSERVATIVES: STANDING UP FOR YOU
