

## Ashford North and Stanwell South – Spring 2019

### CCTV at Hengrove Park

The CCTV Camera at Hengrove Park has been replaced with an up to date modern version and is currently being monitored by the CCTV control room. Additional signage has been placed in the park to remind users that motorised vehicles are not permitted at any time.

### Scott Freeman Gardens

Following the loss of two flower beds at Scott Freeman Gardens, Cllr Sexton asked residents for their input on preferred replanting for this area. Urban Woodlands was chosen, this work has now been undertaken. We are looking forward to some warmer weather so we can all reap the benefits.

### A30 Parking Issues

The Parking issues at the A30 are currently being addressed and we are taking a proactive response. The council have issued, in conjunction with the police a letter that is to be placed on offending vehicles in respect of obstructing the highway (parking on the footway) and dangerous driving (slowing down to park on the central reservation) a record of offending vehicles will also be kept. We have also secured a number of traffic cones which have been placed on the central reservation and parking officers are checking the area regularly and this will be ongoing.

All three Conservative council candidates will continue working to reduce the current issues residents are experiencing.

### Roads and Pavements

Following deterioration of the roads in Ashford Crescent, Kenilworth Road and Station Crescent, these have now been listed for resurfacing.

We have also added double yellow lines on many corners of the roads to stop vehicles parking; to name a few, Harrow Road, Ashford Crescent, Station Crescent, Salcombe Road, Kenilworth Rd Ashford.

### Ashford Train Station

Cllr Sexton has campaigned hard with our MP Kwasi Kwarteng over the last five years to get Ashford Station refurbished, and our gateway has now been restored.

Richard Kempton of SWT-Network Rail and Cllr Joanne Sexton outside Ashford Station

### Dog Fouling

Cllr Sexton has always been committed to reducing dog fouling within the community. We would like residents to let us know of any particular troublesome areas, so that we can have posters added. "No Messin"

The Conservative Candidates for the Ashford North and Stanwell South seats on the Spelthorne Borough Council in the May 2019 local election are:
